

Tired, Overworked Men What You Need is Vinol

Vinol creates strength because it is a non-secret combination of the most famous body-building and strength-creating elements known—Beef and Cod Liver Peptones, Iron and Manganese and Glycero-phosphates. You who are run down, nervous, lack energy and working strength, we know that Vinol is what you need. Try it at our risk. Here is Proof:

Sandford, Maine.
"I suffered so much from a run-down, nervous condition and stomach trouble that I never felt like working, and had tried almost everything without relief. The first bottle of Vinol, however, helped me, and it has finally built me up so I feel better now than I have for a long time."—C.D. Haines.

Springfield, Mass.
"I am a night operator—was all run-down, couldn't sleep, had no blood and nerve tonics without help—and thought I would try Vinol and I must say it has built me up so I feel better, look better and sleep better."—Charles T. Harder.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Vinol Creates Strength

Eczema

NUXATED IRON

To help make strong, keen, red-blooded Americans there is nothing in my experience which I have found so valuable as organic iron—Nuxated Iron. Says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital. Nuxated Iron often increases the strength and endurance of weak, nervous, run-down people in two weeks' time. It is now being used by over three million people annually, including such men as Hon. Leslie M. Shaw, formerly Secretary of the Treasury and ex-Governor of New York. Nuxated Iron is dispensed by all good druggists everywhere.—(Adv.)

Newark SHOE for MEN

Like The Famous Boots of London!

THEY are gems of style and quality—the finest shoes that specialized skill and unlimited resources can produce. Two new factories are now devoted exclusively in making these classic shoes for our 297 stores—and they can't make them half fast enough to meet the demands we have for them. May we show them to you tomorrow?

For Boys: \$2.50, \$3. & \$3.50

TOUGH GRID GAME FOR SATURDAY U. OF C. TO MEET HEFTY BAKERS' ELEVEN.

Military Aggregation Has Imposing Array Ex-College Men.

Saturday afternoon at 2 o'clock the University of Chattanooga's gridiron team in its initial game, will stack up against one of the strongest eleven ever put on the field by a Fort Oglethorpe unit. The opponents of the local players come from Camp Greenleaf, bakery company No. 358, specifically. With them, it is claimed, will come five truckloads of staunch supporters, fifty to a truck, to witness the terrible battle which they insist will be administered to the students' army training corps men.

But this is not conceded. As Lieut. Jarratt told a News reporter Friday, the college team has such a spirit this year as has seldom been seen on Chattanooga fields. Their practice period has covered a scant ten days, but this lack of training, instead of disheartening the U. C. men, gave them the more determination, and all those who contemplate being spectators at Chamberlain field tomorrow are assured a fight to the finish.

The Greenleaf team totals 1,739 pounds as against a weight of 1,709 of the university aggregation. Thus the soldier eleven outweighs its opponents, man for man, almost four pounds.

Eight men on the visiting team have had experience on eleven of well-known colleges and at least two of the substitutes. Two men have seen service with Virginia, three with Vanderbilt, one with Princeton, one with Pennsylvania, and one with Sewanee. Scarcely a man on the university's team has played the collegiate sport, although several have started on prep work.

Brown, at present on the sub string, played on the university team of 1916 but cannot be used at present on account of three fractured ribs sustained at a game. It is hoped to get into shape for Sewanee on Nov. 18.

The line-up follows:

U. C. — Bakery Company—
Redd, 150 Elvin, 165
Sullivan, 155 Gray, 170
Baas, 145 Pfeiffer, 160
McKenzie, 150 Huffman, 170
Rosen, 175 Elliott, 155
Renfro, 155 Sherman, 165
Paul, 155 McLean, 155
Sims, 145 Jones, 145
Hill, 145 Seaman, 150
VanZandt, 150 Rice, 155
Cate, 154 Johnson, 145
Fullback.

Substitutes:
University of Chattanooga—Wingard, Harris, Dods, Carpenter, Brown.
Bakery Company—McDonnell, Nightingale, Sawyer, Payne, Duvall, Wommack, Baker, Hite, O'Connor, Dubbs, Izler.

WOULD LIKE TO TELL

Frank Smith Writes From Somewhere Over There—Prevented by Censor From Telling Some Things.
Frank Smith, Donald W. Smith and Henry L. Smith, sons of J. L. Smith, 306 West Eleventh street, are "somewhere in France." Frank Smith almost made a record when he arrived overseas two months and three days after he joined the colors. He was at Camp Jackson, South Carolina. He is a member of Truck Company B, Second corps, artillery.

Donald W. Smith is a member of the Eighty-first division, 35th trench mortar battery. He was at Camp Joseph E. Johnston, Jacksonville.

Henry L. Smith is a member of school No. 1, motor transport corps.

Frank Smith was in business on Market street and has many friends who will be glad to hear from him. Following are extracts from letters to his parents:

"In Active Service With the A. E. F." Sept. 25, 1918.

"I wish that I could tell you some towns and places I have seen and been through over here. Am having a good time—that is, to be so far away from home. It rains nearly every day and the nights are getting cold. We have been issued our winter clothes; also rubber boots. I think we can make the cool weather fine now. We are in a little town now. Just how long we'll stay I cannot say. I still believe that I will eat dinner with you on our birthday. I suppose that I can tell you I have been in some German towns. You can certainly get your eye full at times."

"I made a short trip yesterday and saw some strangers. Also saw two machines come down. I see just enough to make me want to go further up the line and get my eyes full. No are quarters in a big barn at present, but will move soon. I was over here eighteen days when you got my first letter. Figures, and you can tell about when I arrived."

"Am just back from five-day trip. I never saw so much pretty country in my life, and the roads are simply fine over here—just about like the park roads there."

"I have just received your letter and six papers. I was with Stanley Snyder for an hour on the 2d of this month. Aiper and another Jew are here, reading the papers and singing Jewish songs. I suppose you have seen several extra papers by now. News, now, this all we can hear. The end is very near. I am doing fine and getting plenty to eat."

ROTARY TO HELP

Will Be Big Factor in Coming War Work Campaign.

The members of the Chattanooga Rotary club, all of whom have participated in the several drives that have been conducted in Chattanooga since war was declared, will on the occasion of the united war work campaign lend their aid in helping to make this the most unique event of any of the kind that will be conducted throughout the United States in connection with the drive. Paul J. Kruesel, general chairman of the committee, who is a member of the club, explained at Thursday's meeting a number of the plans, some of which are more or less of a secret nature and will not be divulged until the day of the Chattanooga drive. In deference to the plans of the local, no meeting of the club will be held on Thursday of next week, it being postponed until the day following, at which time the club will have an opportunity to demonstrate in their own way the gratification they will have over their part in making the united war work campaign of Hamilton county something that will be talked of for months to come.

As it has been the custom of the club since it was organized five years ago, they voted to furnish Thanksgiving dinner to the children of the Vine Street orphanage. A committee, with G. Fred Thomas as chairman, was appointed to look after the arrangements and to see that the children were bountifully supplied not only for the day in question, but for several days thereafter. The club also voted \$250 for the erection of a wire fence around the Crittenton home, which will include electrical equipment that will be necessary in carrying out the desires of the organization in charge of the home.

The performance of "The Lion and the Mouse," the annual theatrical of the Rotary club, was announced to take place on Dec. 6 and 7. Milton Nichols,

director, stated that the cast, in his opinion, eclipsed the one of last year and the Chattanooga public would be given a theatrical performance equal to that presented by any professional cast. The committee in charge of the event are all hard at work and it is expected that every seat for the three performances will have been sold several days in advance of the presentation.

WOUNDED IN FRANCE

Harry Davenport's Name Appears in Friday's List of Wounded.
The name of Harry R. Davenport, of Valley Head, Ala., appears among those severely wounded published in today's casualty list. This is a rather belated report, as the family was informed of the fact soon after the young man was wounded, early in July. He was soon after sent home and is now convalescing in a reclamation hospital in New Jersey.

The young hero is a son of Cicero Davenport, a wealthy farmer of Valley Head. His father is a cousin and his mother a sister of R. B. and Joseph Davenport, members of the firm of Davenport Brothers, of Chattanooga. Cicero Davenport has another son, Charles Davenport, in France, who has recently participated in several of the great battles fought over there. The boys are members of the Alabama unit of the famous Rainbow division and went to France early in the war.

GENERAL STRIKE

Clothing Workers of Rochester Threaten to Walk Out Unless Wages Are Increased.

Rochester, N. Y., Nov. 8.—A general strike of clothing workers of the firm of here. Workers in the Levy Brothers factory have already gone out and a call for a mass meeting on Sunday morning has been issued. At this meeting the question of a general strike will be considered. A new wage scale for clothing workers was recently fixed by the war labor board, but it is charged by the manufacturers that the employees have been "laying down," and getting out less work than before the war board adjusted the wage controversy. They also charge that legislators from New York are responsible for the present situation.

Quick Way to End Stomach Trouble

Prepare It at Home for Newts, Take It Regularly for Week or so and Just Watch the Results.

Wouldn't you like to know once more what it means to feel a good healthy appetite and then sit down and enjoy a hearty meal without suffering from indigestion, gas, belching, bloating, heart palpitation, nervousness and other distress as you usually do? Then take this advice and get two ounces of concentrated liquid Marlix (aromatic) 75 cents worth, from your druggist or by mail from The Marlix Co., Fort Wayne, Ind. Dilute the Marlix with double the quantity of pure water and take a teaspoonful before each meal.

Just see how quickly you get blessed relief. Its effect is wonderful. No matter what your trouble or what you failed to help you, this simple old home remedy has got to help and benefit you or money back. That's how sure it is. You'll say it is worth a hundred times the price. Get it now and try it before your next meal.

Edwards & LeBron Jewelers

Wednesday we mailed the first Red Cross Christmas box from Chattanooga to the boys overseas. The box was about as big as a brick—no larger.

In it were FIFTEEN REAL GIFTS, besides wool socks, cigarettes, chewing gum, candy and nuts.

The gifts were of articles such as are found in our "Gift Nook," and in addition the box contained a knife and a fountain pen.

Don't you know the recipient will be glad to get this box? You, too, can send one as complete and satisfactory. Come in and let us show you how—we are packing and mailing them every day.

Only eight more days remain in which to mail these boxes.
